

Douglas S. Fletcher, CIH, CSP

President, Fletcher Safety Consulting, Inc.

Doug has worked as a safety and health professional for over 25 years. He is a Certified Safety Professional (CSP) and a Certified Industrial Hygienist (CIH). Prior to starting Fletcher Safety Consulting, Inc., Doug worked for Federal OSHA in the Omaha Area Office. During his 17 years with OSHA, he served as a Compliance Safety and Health Officer (Industrial Hygienist), Compliance Assistance Specialist (CAS), Assistant Area Director (AAD), and as the Acting Area Director of both the Omaha and Des Moines Area Offices.

As a Consultant, he provides safety and industrial hygiene services to clients around the Midwest, including OSHA compliance assessments, industrial hygiene assessments and monitoring, program evaluation, and training.....as well as pre- and post- OSHA inspection assistance.

Prior to his work with OSHA, Doug was an EHS Project Manager for Terracon Environmental, Inc., and an Industrial Hygienist with the U.S. Department of Defense.

Doug received a Bachelor's of Science degree in Biology from Tulsa University, Tulsa, Oklahoma and a Master's of Science degree in Molecular Genetics from The Ohio State University, Columbus, Ohio.

- Two of his former OSHA colleagues, Steve Jordan (Safety Specialist) and Corri Synak, CIH (Industrial Hygienist) assist with compliance visits to construction and industrial worksites as well as program evaluations and training.
