

Jeff Springer, Territory Manager, Process Marketing Group, Fremont, NE, has been active in the safety industry since 1995 working as a consultant assisting with written OSHA programs and training.

Jeff worked for an Omaha based distributor, Fuchs Machinery, for 11 years in their safety division. While being with Fuchs Machinery, Jeff assisted manufacturing facilities to improve their safety programs and procedures.

January 2007, Jeff joined Process Marketing Group as a Territory Manager for Iowa and Nebraska. He has since partnered with end users to improve their overall fall protection programs thru training, inspection, and consulting.

Jeff graduated from the University of Nebraska – Omaha with a B.S. in Environmental Science.
