

Bio: Mike Anderson – The Scoular Company

Mike is currently the Senior Project Manager for Scoular in Overland Park, KS. He was previously a Regional Operations and Project Manager for Gaviion/DeBruce for 8 years.

Mike has nearly 20 years of experience in the grain industry, beginning in 1996 as an Assistant Superintendent with Cargill in Tampa FL. He has experience in the day to day operation of a wide range of grain facilities, from Country Elevators to high volume Export Houses, a Flour Mill, and some of the largest Inland Terminal Elevators in the US.

Mike graduated from North Dakota State University with a degree in Industrial Engineering and Project Management in 1996.
